

 **TEST THE BEST:
HEAD PROTECTION PROGRAM**

Your Free Bullard Head Protection is Waiting...

See if your team qualifies for a free hard hat or safety helmet through the **Bullard Test the Best** Head Protection Evaluation Program.

Safety Where it Matters

From cap style to full brim and safety helmets, Bullard provides head protection solutions for a multitude of industries and hazards.

Top sellers include:

- Adaptix™ ▶ Safety Helmet with Removable FlexBrim
- C-Series ▶ Hard Hat or Cap with ComfortFit inside

Test the Best in Head Protection

You may qualify for a free evaluation helmet if:

- You are not currently wearing Bullard head protection.
- Your company has 20+ hard hat or safety helmet wearers.
- You are a PPE decision-maker in the organization.
- You agree to wear Bullard Head Protection and provide evaluation feedback.

Comfort and Stability

Bullard Hard Hats and Safety Helmets are designed to provide a balanced fit with stability and comfort, featuring a suspension that extends below the nape of the head, improving retention.

Max Customization

Build it your way - design your hard hat or safety helmet online in real-time with assorted colors, styles, finishes, and accessories.
