ADAPTIX™ RESCUE

ADAPT. PROTECT. PERFORM.

BREATHABLE MESH CROWN SUPPORT

Breathable mesh crown support is adjustable to add up to ¾-inch airspace above head for airflow and stability.

FLEXBRIM™ REMOVABLE BRIM

Brim on. Brim off. Change from no-brim to a flexible full-brim in seconds.

FLOW-THROUGH VENTS

Vented option available to increase airflow, directing heat away from the head.

ADAPTABLE RATCHET HEADBAND

Feels locked-in: Self-adjusting nape support swivels and flexes to conform to the wearer. Ratchet adjustment adjusts up or down for optimized stability and fit.
