

# AboveView™ / AboveView™ Elevate Technical Specifications

## AboveView™

- Patented see-through visor
- Replaceable visors: Clear for full visibility; Grey tint for shade; Yellow tint to reduce glare
- Hat style helps protect against splash, glare, and sun exposure
- Ratchet suspensions have vertical adjustment capability (two in front, two in rear) for a secure fit to different head sizes
- Ratchet suspensions include a triangular knob for quick adjustment and a rear pivoting nape to uniformly distribute the suspension on the rear of head
- Wide (3/4") seamless crown straps provide a comfortable interface that also absorbs energy. The round, wide crown area also allows for good ventilation.
- Replaceable cotton and vinyl brow pads are pillowed for enhanced comfort. Hook and Loop replacement brow pads are available in absorbent cotton, a cooling material, or a vinyl material.
- Pad print capability in up to four different locations on the hat - logos may have up to six colors per location
- Two-year warranty
- Distinctive Three-Rib trademark

## AboveView™ Elevate

- Includes all of the AboveView™ features listed above plus:
- 3-point non-elastic black chinstrap included to enhance hat retention to the user's head
- 3-point chinstrap includes easy adjustment via hook and loop connections

## General
