

# 20LF Series Loose-Fitting Facepiece Sizing Chart

## Narrow

jaw line across mouth less than width across eyes

## Square/Round

jaw line across mouth greater than or equal to width across eyes

	Step 1: Face Shape	Step 2: Head Diameter	
		Option 1: hat size US size (EU size)	Option 2: measure circumference at forehead (cm)
<b>20LFM/20LFMHE</b>	square/round	7 ¼ - 7 ¾ (58 - 62)	57 - 62
<b>20LFL/20LFLHE</b>	square/round	7 3/8 - 8 (59 - 64)	58 - 65
<b>20LFXL/20LFXLHE</b>	square/round	7 ¾ - 8 (62 - 64)	61 - 69
<b>20LF2S/20LF2SHE</b>	narrow	6 5/8 - 7 3/8 (53 - 59)	< 55 - 59
<b>20LF2M/20LF2MHE</b>	narrow	6 7/8 - 7 5/8 (55 - 61)	55 - 61
<b>20LF2L/20LF2LHE</b>	narrow	7 ½ - 8 (60 - 64)	59 - 66

The 20LF Series loose-fitting facepiece is available in multiple widths and sizes to accommodate various face and head sizes for maximum comfort and protection. If using the 20LF or 20LF2 facepiece, select the size that fits most comfortably and where the entire elasticized edge of the face seal encounters your face. If your proper fit falls between two sizes, default to the smaller size to ensure a snug fit.
