

Subject: Annual Notification of Covered and Exempt Battery-Embedded Products
To: California Retailers and Authorized Distributors
From: E.D. Bullard Company
Date: 1/5/2026

Dear Valued Distributor,

You are receiving this notification letter as a distributor of Bullard products that may be sold in the State of California per California Public Resource Code PRC §42466.1(a). This information is only relevant to distributors who sell the following products to end-users in California. Manufacturers of a covered electronic device, as defined in PRC section 42463(g)(1)(B), are required to send a notice to all retailers selling those products in California to ensure those retailers/distributors know which products are subject to the battery-embedded waste recycling fee in accordance with PRC section 42464(b).

Covered Battery-Embedded Electronic Devices

The following products meet the definition under PRC §42466.1(c) as devices containing batteries not intended to be removed by users with ordinary household tools.

Brand: XT Series

Models Covered:

- NXT
- NXTPRO
- QXT
- QXTPRO
- DXT
