Certification Letter

Dear Mr. Thomas:

We are pleased to confirm that the Industrial Head Protection (ANSI) model below is certified by the Safety Equipment Institute, effective March 18, 2026. Class II certification evaluation to change the brand name was successfully completed on March 18, 2026, in accordance with the requirements of *ANSI/ISEA Z89.1-2014 (R2019), American National Standard for Industrial Head Protection*.

<u>SEI Ref. No.</u>	<u>Brand</u>	<u>Model No.</u>
HD BUL 23	Adaptix	T2N - Type II, Class E, G, & C; HT; LT, Non-Vented safety helmet in a variety of colors with Ratchet/Foam Suspension and chinstrap, with and without MIPs and TwiceMe RFID chip.

The SEI Certification Mark may be used in the marketing, packaging and promotion of the model detailed above, in accordance with the provisions of the *SEI Certification Program Manual*.

Per the *SEI Certification Program Manual*, SEI shall certify the manufacturer's product model(s) and grant the right to use the SEI certification mark when 1) the Testing Laboratory has determined that the product model submitted and tested successfully meets the appropriate product standard, 2) the Quality Assurance Auditor has determined that the manufacturer complies with SEI quality assurance requirements through an on-site audit, including a review of the quality manual and procedures, 3) the manufacturer has paid all fees, and 4) product liability insurance requirements are met.

Following initial certification, SEI conducts annual follow-up testing on samples which are selected by SEI during the annual quality assurance audit.

Thank you for your participation in the SEI Certification Program. If you have any questions, please contact the SEI Office.

Sincerely,

Dale Payne
Program Manager
