

# AboveView™ / AboveView™ Elevate Technical Specifications

## AboveView™

- See-through visor opens upper peripheral vision by 50%
- Replaceable visors: Clear Tint for full visibility; Grey Tint for shade; Yellow Tint to prevent glare
- Hat style helps protect against splash, glare, and sun exposure
- Ratchet suspensions have vertical adjustment capability (two in front, two in rear) for a secure fit to different head sizes
- Ratchet suspensions include a triangular knob for quick adjustment and a rear pivoting nape to uniformly distribute the suspension on the rear of head
- Wide (3/4") seamless crown straps provide more comfort and helps the suspension system absorb energy. The round, wide crown area also allows for good ventilation.
- Replaceable cotton and vinyl brow pads are pillowed for enhanced comfort. Velcro replacement brow pads are available in absorbent cotton, a cooling material, or a vinyl material.
- Pad print capability in up to four different locations on the hat - logos may have up to six colors per location
- Two-year warranty. Bullard's reputation can be seen in the attention to detail on comfort and fit
- Distinctive Three-Rib trademark
- Assembled in the USA

## AboveView™ Elevate

- All features listed above
- 3-point non-elastic black chinstrap included to enhance hat retention to the user's head
- 3-point chinstrap includes easy adjustment via hook and loop connections
